

EADMT GA 2020
ANNUAL REPORT OF THE RESEARCH
WORKING GROUP

04/10/2020

PURPOSE OF RESEARCH WORKING GROUP (2018)

Develop European/EADMT network structure on research related topics

- exchange between training institutions
- support students' research collaboration between countries
- provide research related information (literature, projects)

2019-2020 ACHIEVEMENTS

- Database literature (Feb 2020)
- Drafting database theses/research (Mrc 2020 ongoing)
- Drafted procedure to collect theses/research (Mrc 2020 ongoing)

- Collection of further topics to work on

- Meeting support needed

2020-2021 ENVISAGED TOPICS

Proceed and finalise theses data-base

Follow up lit. database (actualisation and search options)

PhD/research forum

Conference (with conference working group procedure for peer review submissions; plan and develop science café)

International research collaborations

Tentative mission for 20/21 24/10/2020

connect – collect - exchange - collaborate

YOUR THOUGHTS PLEASE:

Tentative procedure for collecting theses/research for database

collect

- Abstracts of unpublished completed master theses or final study
- Institutions recognised by the National DMT association

select/check

- Submissions should provide an English abstract
- Preferable: link to online access of the original work
- Submission is taken as consent for publication on the EADMT website

publish

- National Associations collect the information (template), check for completion, send to EADMT September each year
- EADMT press officer publishes on EADMT website

04/10/2020

RESEARCH WORKING GROUP MEETING SUNDAY 4-10-2020

Ana Coimbra Oliveira

Pauliina Jääskeläinen

Nina Kanevskaia

Antonella Monteleone

Izabela Guzak

Mette Schmidt

Mari Mäggi

Elina Caura

Rosemarie Samaritter

04/10/2020
