New members are welcome

Our activities in the last year

- Video production
- EADMT YouTube channel
- Newsletter
- LinkedIn
- Website creation

International dance day – video production

- The covid pandemic has laid out challenges in being physically close to one another yet we have been finding ways to be connected nevertheless
- 13 countries participated
- Thank you to all those who participated
- Over 3800 people watched, we got 114 likes

Germany

EADMT YouTube channel

- managing Youtube account
- subscribed all accessible National Association's Youtube accounts
- created new open access playlists - "What is dance movement therapy", "DMT during pandemic", "Fundamentals of DMT". These playlists contain general information related to DMT.
- playlist "International Dance Day"
- We invite you to update your National Association's Youtube accounts with videos containing English subtitles, so we can share it with wider community.

Newsletter

- July 2021
- 18 countries shared their contributions
- establishing a newsletter format which aims to develop coherency between all EADMT's media actions i.e., the color pallet

The main subjects addressed in the newsletter

Elections, Name of the Board members

Aims and ways of establishing communication within the NAs because of Covid-19 restrictions

Formation of Trade Union of Creative Art Therapists

Use of new technologies becoming an extended network of support in therapy

Events in the community

Training programs

Research projects

DMT recent publications

Actions taken on the countries state recognition process

LinkedIn

- active for a year now
- more than 200 new followers
- a significant increase in page visitors from all over the world
- This page is used as a professional medium and encourages interaction between DMT professionals and others.
- New DMT activities and events were supported through this page e.g., the first EADMT Science Café but also new book launchings and a lot of new article publications.

Next year

THIS YEAR WE FOCUSED MAINLY ON
HOW WE DO THINGS

NEXT YEAR WE WILL FOCUS ON
WHAT TO DO AND WHEN IN ORDER
TO EXPAND THE EADMT IMPACT.
