

The Global Affiliations Working Group Report 2022

Firstly, we would really like to invite new members to our working group at the GA this year. We have been a small group over the last year with Elena Cerruto, Johanna Jokela and Shirley A Mawer, the coordinator of the group. Please consider joining us in Potsdam.

World Dance Movement Therapy Day

In 2021 we started to speak about World Dance Movement Therapy Day. We were truly inspired by the wonderful videos EADMT members sent in to celebrate World Dance Day 2021. We remain keen to move forwards with this goal together with the EADMT Board.

Between the EADMT GA in 2021 and the GA in 2022 we have met online 10 times, as well as exchanged many emails and WhatsApp messages

2021 - 2022

We have continued to maintain and develop the relationships with Dance Movement Associations from across the globe & hope to have our international colleagues at our working group meeting online during the GA in Potsdam

2022 A Global Affiliations Instagram account was created

Purpose of the Instagram account

- To be present & visible internationally
- To connect with Global DMT Associations
- To share discussions & research
- To support one another
- To manage the trauma of recent times

Our aims going forwards:

Build Connections

To learn and share

Sustain and promote the Profession

Move forwards together

Become more aware

Embrace diversity
