

Conference Working Group

Report 2024

In 2023/2024 Conference group continued to work on the preparations for the 5th Conference in Vilnius in 2025.

Due to the tight schedules group worked in the smaller subgroups exchanging information via email

1. Prepared call for proposals - introductory text to the conference theme and subthemes
2. Prepare submission form and organized the conference online platform Oxford Abstracts
3. Suggested candidates for keynote speakers
4. Together with research group prepared the reviewers pool and revised reviewing criteria
5. Together with Lithuanian DMT Association and local organizing group prepared conference budget
6. Local organizing group has made preliminary agreements with the venue and streaming team
7. Created conference logo
8. communicated with Board and PR&Communication group regarding the publicity

At this moment the deadline for the proposals has passed, we have more than 100 submissions, now the reviewing process starts.

Timeline is as following -

Deadline for proposals 30.09.2024

Reviewing process until 30.11.2024

Decisions announced 15.12.2024

Presenters confirmed 30.12.2024

The programme finalized and published by 30.01.2025

Registration opened - 1.02.2025

Conference 12-14.09.2025

More reviewers wanted!

As all submissions undergo double blind review procedure, there are 200 reviews needed, which means the reviewers team should be about 40 people! At this moment we still have free places in the reviewers team. Please consider who could be a right candidate from your National Association, preferably someone with the experience in academic work, and good acquainted with DMT specifics.
